例如某一答案對你來說「強烈不同意」則應圈上 **SD**。有些項目可能十分相似，請不必擔心你的答案需要一致，只管圈出最能描述你目前情況的答案。

For example, circle “SD” if your answer is strongly degree. Some sentences may look similar, but do not concern about it. You only need to circle the answer which best describe your current situation.

請用原子筆或鉛筆圈出你的答案 (0 1 2 3)，如果要更改答案，請把原來的答案劃上 X 後再選出正確的答案，例如 (0 1 2 3)

Use a ball pen or a pencil, circle your answer (0 1 2 3). If you need to make any changes, please cross out the one is not wanted before choosing another one. For example: (0 1 2 3)
